Creatio Accessibility Conformance Report International Edition

(Based on VPAT® Version 2.5)

Name of Product/Version: Creatio CRM (a bundle of Sales Creatio Enterprise, Marketing Creatio, and Service Creatio Enterprise), version 8.2.3

Report Date: April 2025

Product Description: A comprehensive suite of CRM products for marketing, sales, and service, seamlessly integrated on a single no-code platform

Contact Information: accessibility@creatio.com

Notes:

- The scope of this report includes the logged-in end-user applications in the Creatio web version.
- The relevant user interface version is Freedom UI. It includes the majority of all functionalities and components that end-users interact with in Creatio.
- All non-Freedom UI functionalities/components (including Agent desktop, Chat, Dashboards, Email, Feed, Forecasts, Landing pages and web forms, Queues sections; Calls, Emails, Chat communication panels; Notification panels; Additional settings in the user profile, Global search results pages; Advanced filters setup, Relationship diagram, Campaign flow designer components), Creatio AI functionalities/components, and admin functionality used for code/no-code design and development, data import, email and landing page designers, system customization, access right setup, etc. are out of scope of this report.
- Extensions (customizations) made by Creatio customers are also out of the scope of this report.
- This report implies that all necessary accessibility settings in the Product have the proper value to ensure accessibility support.

Evaluation Methods Used:

- Conformance to the listed accessibility standards has been evaluated using a combination of static analysis tools and manual testing with assistive technologies.

- The following operating systems, web browsers, and screen readers were used for evaluation: Windows 10/11, Chrome/NVDA, manual accessibility testing, and keyboard testing with visual focus. Also, spot-checks were done using the following web browsers and screen readers: Firefox/NVDA, Edge/NVDA, VoiceOver/Safari.

Revised Section 508 Report

Chapter 3: [Functional Performance Criteria](#) (FPC)

Criteria	Conformance Level	Remarks and Explanations
302.1 Without Vision	Partially Supports	The Product provides support for screen reader users, allowing navigation and interaction with key features. Some enhancements are needed for a better screen reader experience, as noted in the WCAG conformance tables.
302.2 With Limited Vision	Partially Supports	The Product includes features to aid users with limited vision, such as zoom support using more contrast colors, enhanced target size or visibility of scrollbars, etc. Some areas may require adjustments for optimal focus management and reflow, as referenced in the WCAG conformance tables.
302.3 Without Perception of Color	Partially Supports	The Product effectively uses text and iconographic alternatives to ensure that color is not the sole means of conveying information. Some refinements could improve clarity, as detailed in the WCAG conformance tables.
302.4 Without Hearing	Not Applicable	The Product is fully functional without requiring a hearing for operation.
302.5 With Limited Hearing	Not Applicable	The Product does not rely on hearing for any of its core functionalities.
302.6 Without Speech	Not Applicable	The Product does not require speech for interaction.

Criteria	Conformance Level	Remarks and Explanations
302.7 With Limited Manipulation	Partially Supports	The Product supports keyboard navigation and standard pointing devices. Some complex interactions may require improvement for enhanced usability, as noted in the WCAG conformance tables.
302.8 With Limited Reach and Strength	Supports	The Product supports standard input mechanisms such as a keyboard and/or mouse. Its usage does not require reach or level of strength.
302.9 With Limited Language, Cognitive, and Learning Abilities	Partially Supports	The Product provides structured navigation, clear labeling, and other features to support users with cognitive and learning disabilities. Additional refinements could improve clarity and ease of use, as referenced in the WCAG conformance tables.

Chapter 4: Hardware

Notes: This Product is a web application and is not subject to the requirements of this section.

Chapter 5: Software

Notes: This Product is a web application and is not subject to the requirements of this section.

Chapter 6: Support Documentation and Services

Notes: This report covers accessibility conformance for the Creatio end-user Product and does not discuss Documentation or Support Services. General Product support documentation can be requested at support@creatio.com or by visiting https://academy.creatio.com.

Chapter 4: [Functional Performance Statements](#) (FPS)

Criteria	Conformance Level	Remarks and Explanations
4.2.1 Usage without vision	Partially Supports	The Product provides support for screen reader users, allowing navigation and interaction with key features. Some enhancements are needed for a better screen reader experience, as noted in the WCAG conformance tables.
4.2.2 Usage with limited vision	Partially Supports	The Product includes features to aid users with limited vision, such as zoom support using more contrast colors, enhanced target size or visibility of scrollbars, etc. Some areas may require adjustments for optimal focus management and reflow, as referenced in the WCAG conformance tables.
4.2.3 Usage without perception of colour	Partially Supports	The Product effectively uses text and iconographic alternatives to ensure that color is not the sole means of conveying information. Some refinements could improve clarity, as detailed in the WCAG conformance tables.
4.2.4 Usage without hearing	Not Applicable	The Product is fully functional without requiring a hearing for operation.
4.2.5 Usage with limited hearing	Not Applicable	The Product does not rely on hearing for any of its core functionalities.
4.2.6 Usage with no or limited vocal capability	Not Applicable	The Product does not require speech for interaction.

Criteria	Conformance Level	Remarks and Explanations
4.2.7 Usage with limited manipulation or strength	Partially Supports	The Product supports keyboard navigation and standard pointing devices. Some complex interactions may require improvement for enhanced usability, as noted in the WCAG conformance tables.
4.2.8 Usage with limited reach	Supports	The Product supports standard input mechanisms such as a keyboard and/or mouse. Its usage does not require reach or level of strength.
4.2.9 Minimize photosensitive seizure triggers	Supports	The Product does not include visual features with flashing that could trigger seizures
4.2.10 Usage with limited cognition, language or learning	Partially Supports	The Product provides structured navigation, clear labeling, and other features to support users with cognitive and learning disabilities. Additional refinements could improve clarity and ease of use, as referenced in the WCAG conformance tables.
4.2.11 Privacy	Supports	The Product does not impede the usage of standard privacy controls alongside assistive technologies. For example, users can connect a headset for private listening to screen reader announcements.

Chapter 5: Generic Requirements

Notes: This Product supports standard assistive technologies and is therefore not subject to the Closed Functionality criteria described in this section.

Chapter 6: ICT with Two-Way Voice Communication

Notes: This Product does not offer two-way voice communication and is therefore not subject to the requirements of this section.

Chapter 7: ICT with Video Capabilities

Notes: This Product does not offer video captioning and audio description and is therefore not subject to the requirements of this section.

Chapter 8: Hardware

Notes: This Product is a web application and is not subject to the requirements of this section.

Chapter 9: Web *(see WCAG 2.x section)*

Chapter 10: Non-Web Documents

Notes: This Product does not include non-web documents and is therefore not subject to the requirements of this section.

Chapter 11: Software

Notes: This Product is a web application and is not subject to the requirements of this section.

Chapter 12: Documentation and Support Services

Notes: This report covers accessibility conformance for the Creatio end-user Product and does not discuss Documentation or Support Services. General Product support documentation can be requested at support@creatio.com or by visiting https://academy.creatio.com.

Chapter 13: ICT Providing Relay or Emergency Service Access

Notes: This Product does not provide relay or emergency services and is therefore not subject to the requirements of this section.
